Codes, Standards, and Rules

The system shall be installed in compliance with the Building/Electrical Code of the City of New Orleans, Orleans Parish and **Form CSG-3**, Interconnection and Parallel Operation of Community Solar Generating Facility Agreement (“Interconnection Agreement”), executed by and between Subscriber Organization and ENO. This system meets the most current version of the applicable Entergy Standard DR07-01 “Distributed Energy Resource Standards for Distribution Interconnection.” The interconnection protection system is tested and listed for compliance with the latest published edition of Underwriters Laboratories (UL) 1741 including the anti-islanding test. The system will be installed in compliance with IEEE 929 and/or IEEE 1547 as applicable, all manufacturer specifications, the National Electric Code, and all local codes. No protection settings affecting anti-islanding have been or will be adjusted or modified. The system shall be installed in accordance with the attached one-line diagram.

The Community Solar Generating (“CSG”) Facility shall meet the requirements of the New Orleans Community Solar Rules (“Rules”) promulgated by the Council in Resolution No. R-23-507, in Docket No. UD-18-03.

The parties shall be subject to the provisions of the Rules, the terms and conditions set forth in this Application, the Company’s applicable rate tariff schedules, and the executed Interconnection Agreement.

Permits and Authorizations

The Subscriber Organization shall obtain and maintain any governmental authorizations and permits required for the construction and operation of the Facility and interconnection facilities before the facility is interconnected. The Subscriber Organization shall maintain the Facility and interconnection facilities in a safe and reliable manner and in conformance with all applicable laws and regulations.

Interconnection Agreement

Interconnection of the CSG Facility shall be subject to the terms and conditions of the Interconnection Agreement, executed by and between Subscriber Organization and ENO. The CSG Facility **shall not** commence commercial operation until it has been inspected and approved by the Company and the Form CSG-3 Interconnection Agreement has been executed between the parties.
