**II. APPLICATION**

This schedule is applicable to electricity served through a single meter and used for domestic purposes only. Service hereunder is for the exclusive use of the Customer occupying a single family dwelling unit and shall not be resold or shared with others except that in buildings containing more than one single family dwelling unit Customer may furnish service to its tenants if no specific charge is made therefor. In such cases, each building shall be metered through one meter and the Customer Charge, the kWh in each block of the Energy Charge and the Minimum Bill will be multiplied by the number of dwelling units served by the meter provided Customer elects to receive service under this schedule; otherwise, such Customer may elect service under an applicable rate schedule. Service for incidental hall or corridor lighting and laundry facilities for the exclusive use of the tenants shall be included. Commercial and common use facilities, such as swimming pools, barber shops, restaurants, office space and parking lot or private street lighting, will be separately metered and billed under the applicable non-domestic rate schedule.
