II. APPLICATION

The schedule is applicable to the alternating current electrical requirements of any Customer at one location. Service hereunder is for the exclusive use of Customer and shall not be resold, shared with or furnished to others except that Customer may furnish service to its tenants if no specific charge is made therefor. Customer's electrical requirements at one location shall be served from a single metering installation except as follows:

- (1) Any Customer previously eligible for service under this rate schedule;
or
- (2) Any Customer requiring separate service or services for exit lighting or other emergency purposes, x-ray or other special technical equipment or having electrically separated locations in a building. Customer shall receive individual billing for each such installation.

III. NET MONTHLY BILL

Rate:

A. Demand Charge: \$16.63 for the first 3 kW, or less, of Billing Demand;
\$6.80 per kW for the next 17 kW of Billing Demand;
\$8.85 per kW for all additional kW of Billing Demand.

C. Adjustments:

First – Plus or minus the applicable proportionate part of any directly allocable tax, impost or assessment imposed or reduced by any governmental authority after the effective date of this schedule, which is assessed or levied against the Company or directly affects the Company's cost of operation and which the Company is legally obligated to pay on the basis of meters, customers, or rates of, or revenue from electric power and energy or service sold, or on the volume of energy generated, transmitted, purchased for sale, or sold, or on any other basis where direct allocation is possible.

Second – Plus the fuel adjustment to be calculated based upon the total kWh included in the monthly bill times the adjustment per kWh for the current month calculated in accordance with Rider Schedule FAC.

Third – All other applicable adjustments approved by the City Council of the City of New Orleans.

IV. BILLING DEMAND

The Billing Demand shall be the sum of the highest fifteen minute kW demands (taken to the nearest half kW) registered during the month on each meter through which Customer takes service hereunder. If no demand meter is installed, the Billing Demand shall be 1/150th of the kWh used during the month (taken to the nearest half kW).

The minimum demand for the month shall be the greater of the following:

- The registered demand in the current month as described above;
- ten percent of the maximum Billing Demand in the prior eleven months;
- 3 kW.

V. POWER FACTOR

Power factor should be maintained by Customer as near unity as possible and shall not be leading. Company shall have the option of installing a kilovolt-ampere (kVA) demand meter in lieu of any kW demand meter, in which event the kW demand shall be eighty percent of the kVA demand.

VI. PAYMENT

The Net Monthly Bill is due and payable each month. The Gross Monthly Bill, which is the Net Monthly Bill plus 5%, becomes due after the Gross Due Date shown on the bill, which shall not be less than twenty (20) days from the date of billing.

VII. SERVICE PERIOD

This schedule applies to service for a period of not less than one year unless otherwise agreed to by Company.
